OKANAGAN MAINLINE REAL ESTATE BOARD

Commercial Building Awards

Project Nomination Form

2011 Project Nomination Form

The Okanagan Mainline Real Estate Board Commercial Building Awards were created three years ago to highlight new or renovated commercial buildings and to give recognition to those who helped create them. Each year this gala event draws over 100 professionals in the industry and provides an evening of celebration and fine dining in honour of local talent and their newest accomplishments.

Each finalist will receive one free ticket to the event and detailed information on each of the nominated buildings will appear in the Commercial Building Awards booklet. These awards are a great opportunity to meet professionals in the industry, promote local commercial buildings, and gain recognition within the community. We hope to receive your nomination form soon!

Eligibility

Investment, commercial, institutional, multi-family, or industrial, building or renovation projects located within the Okanagan Mainline Real Estate area and completed between January 1, 2010 and September 1, 2011. Entries submitted previously will not be considered. Please contact Christine Gagne at the Okanagan Mainline Real Estate Board below to determine if a project has already been considered.

A panel of independent judges selected at large by OMREB's Commercial Zone Executives will evaluate and judge each submission based on the information provided. The Judges will rely on the nomination package to judge the merits of each project, so **detailed descriptions and quality photographs** are required.

We ask that submissions include professional or high quality photography and any other types of quality media. Photoshop, high resolution JPEGs, and TIFF files are accepted. If the project is a renovation please include both before and after pictures.

Award Winners

Winners of the Commercial Building Awards will be announced at a gala dinner on October 27, 2011 at the Hotel Eldorado in Kelowna.
